

The figure consists of two vertically stacked line graphs. The top graph has a y-axis labeled '인구' (Population) and an x-axis labeled '인구' (Population). It contains several blue curves that generally decrease as the x-axis value increases. The bottom graph has a y-axis labeled '인구' (Population) and an x-axis labeled '인구' (Population). It contains several blue curves that generally increase as the x-axis value increases.
