

傳堂集題詞卷之六

季堂集卷之四 詩 四 八

The top graph shows the number of people (인원) on the y-axis (ranging from 100 to 1100) and the number of vehicles (차량) on the x-axis (ranging from 1 to 100). The curves represent different vehicle types, with shaded areas indicating the range of values. The bottom graph shows the number of vehicles (차량) on the y-axis (ranging from 1 to 100) and the number of people (인원) on the x-axis (ranging from 1 to 100). The curves represent different vehicle types, with shaded areas indicating the range of values.
