

The top graph shows the relationship between the number of people (personnel) and the number of days (days) for different types of work. The y-axis is labeled 'Personnel' (personnel) and the x-axis is labeled 'Days' (days). The curves represent different work types, with shaded areas indicating the range of possible outcomes.

The bottom graph shows the relationship between the number of days (days) and the number of people (personnel) for different types of work. The y-axis is labeled 'Days' (days) and the x-axis is labeled 'Personnel' (personnel). The curves represent different work types, with shaded areas indicating the range of possible outcomes.
