

The figure consists of two vertically stacked line graphs. The top graph has a vertical axis labeled '사람이 아닌 사람' (Not a person) and a horizontal axis labeled '사람' (Person). It contains four blue curves that all start at a high value on the y-axis and decrease as they move to the right. The bottom graph has a vertical axis labeled '사람' (Person) and a horizontal axis labeled '사람이 아닌 사람' (Not a person). It contains four blue curves that all start at a low value on the y-axis and increase as they move to the right, eventually leveling off.
