

The figure consists of two vertically stacked graphs. Both graphs have a vertical axis labeled '人数' (Number of People) and a horizontal axis labeled '人数' (Number of People). The top graph shows a decreasing curve, and the bottom graph shows an increasing curve. Both graphs include a grid and a title bar.

Top Graph: The vertical axis has labels from 0 to 100 in increments of 10. The horizontal axis has labels from 0 to 100 in increments of 10. A blue curve starts at (0, 100) and decreases, passing through approximately (50, 50) and ending near (100, 10). A horizontal blue line is drawn at y=50.

Bottom Graph: The vertical axis has labels from 0 to 100 in increments of 10. The horizontal axis has labels from 0 to 100 in increments of 10. A blue curve starts at (0, 0) and increases, passing through approximately (50, 50) and ending near (100, 100). A horizontal blue line is drawn at y=50.
