Figure 1 is a line graph titled "人数と人数の関係" (Relationship between Number of People and Number of People). The vertical axis (Y-axis) is labeled "人数" (Number of People) and ranges from 0 to 100. The horizontal axis (X-axis) is labeled "人数" (Number of People) and ranges from 0 to 100. The graph shows four curves representing different levels of the number of people (人数):

- 人数 (Number of People):** A blue curve starting at (0, 100) and decreasing as the number of people increases.
- 人数 (Number of People):** A black curve starting at (0, 0), peaking at approximately (50, 50), and then decreasing.
- 人数 (Number of People):** A black curve starting at (0, 0), peaking at approximately (50, 40), and then decreasing.
- 人数 (Number of People):** A black curve starting at (0, 0), peaking at approximately (50, 30), and then decreasing.
