

Figure 1 consists of two line graphs. The top graph shows the relationship between the number of people (Y-axis) and the number of people (X-axis). The Y-axis ranges from 0 to 100, and the X-axis ranges from 0 to 100. A blue line starts at (0, 0) and increases, reaching a peak of approximately 100 at X=100. The bottom graph shows the relationship between the number of people (Y-axis) and the number of people (X-axis). The Y-axis ranges from 0 to 100, and the X-axis ranges from 0 to 100. A blue line starts at (0, 0) and increases, reaching a peak of approximately 100 at X=100.
