

The figure consists of two vertically stacked line graphs. Both graphs have a horizontal axis labeled '人数' (Number of people) and a vertical axis labeled '人数' (Number of people). The horizontal axis has tick marks at 0, 10, 20, 30, 40, 50, 60, 70, 80, 90, and 100. The vertical axis has tick marks at 0, 10, 20, 30, 40, 50, 60, 70, 80, 90, and 100. The top graph shows several curves starting from the origin (0,0) and increasing at a decreasing rate, approaching a horizontal asymptote. The bottom graph shows several curves starting from a positive value on the y-axis and increasing at a decreasing rate, also approaching a horizontal asymptote. The curves in both graphs are labeled with numbers 1 through 10.
