

Figure 1 consists of two graphs. The top graph shows the relationship between the number of people (人数) on the y-axis and time (時間) on the x-axis. The y-axis is labeled with values from 0 to 100 in increments of 10. The x-axis is labeled with values from 0 to 100 in increments of 10. The graph shows a series of curves that start at (0, 100) and decrease as time increases. The bottom graph shows the relationship between the number of people (人数) on the y-axis and time (時間) on the x-axis. The y-axis is labeled with values from 0 to 100 in increments of 10. The x-axis is labeled with values from 0 to 100 in increments of 10. The graph shows a series of curves that start at (0, 0) and increase as time increases.
