

The top graph shows the number of people (Y-axis) versus time (X-axis) for different types of people. The Y-axis is labeled '人数' (Number of People) and the X-axis is labeled '時間' (Time). The graph shows several lines representing different types of people, with some lines starting at the origin and others starting at a positive value on the Y-axis. The lines are labeled with numbers 1 through 10.

The bottom graph shows the number of people (Y-axis) versus time (X-axis) for different types of people. The Y-axis is labeled '人数' (Number of People) and the X-axis is labeled '時間' (Time). The graph shows several lines representing different types of people, with some lines starting at the origin and others starting at a positive value on the Y-axis.
