

The top graph shows the relationship between the number of people (人数) on the y-axis and the number of days (日数) on the x-axis. The y-axis ranges from 0 to 100 in increments of 10. The x-axis ranges from 0 to 100 in increments of 10. A straight line represents '普通労働' (General Labor), starting at (0, 100) and ending at (100, 0). A curved line represents '特殊労働' (Special Labor), starting at (0, 100) and ending at (100, 0), with the area between the two lines shaded blue.
