

The figure consists of two vertically stacked graphs. Both graphs have a horizontal axis labeled '人数' (Number of people) and a vertical axis labeled '人数' (Number of people).

The top graph has a horizontal axis with labels from 0 to 100 in increments of 10. The vertical axis has labels from 0 to 100 in increments of 10. A blue curve starts at (0, 100) and decreases to (100, 0). A black curve starts at (0, 0), increases to a peak of approximately 40 at x=50, and then decreases to (100, 0).

The bottom graph has a horizontal axis with labels from 0 to 100 in increments of 10. The vertical axis has labels from 0 to 100 in increments of 10. A blue curve starts at (0, 100) and decreases slightly to approximately 95 at x=100.
