

The figure consists of two vertically stacked graphs. The top graph has '人数' (Number of people) on the X-axis and '人数' (Number of people) on the Y-axis. It shows a blue curve starting at the origin (0,0) and increasing, eventually leveling off. The bottom graph has '人数' (Number of people) on the X-axis and '人数' (Number of people) on the Y-axis. It shows a blue curve starting at the origin (0,0) and increasing, eventually leveling off. Both graphs show a curve that starts at the origin and increases, eventually leveling off.
