

The top graph shows the number of people (Y-axis) versus time (X-axis) for a group of people. The Y-axis is labeled '人数' (Number of People) and ranges from 0 to 10. The X-axis is labeled '時間' (Time) and ranges from 0 to 10. The graph shows a decreasing linear trend from (0, 10) to (10, 0). There are several horizontal lines at different levels: 10, 9, 8, 7, 6, 5, 4, 3, 2, 1, and 0. A curve starts at (0, 10) and decreases, passing through (5, 5) and (10, 0). Another curve starts at (0, 5) and increases, passing through (5, 5) and (10, 0). A third curve starts at (0, 0) and increases, passing through (5, 5) and (10, 0). A fourth curve starts at (0, 0) and increases, passing through (5, 5) and (10, 0). A fifth curve starts at (0, 0) and increases, passing through (5, 5) and (10, 0). A sixth curve starts at (0, 0) and increases, passing through (5, 5) and (10, 0). A seventh curve starts at (0, 0) and increases, passing through (5, 5) and (10, 0). An eighth curve starts at (0, 0) and increases, passing through (5, 5) and (10, 0). A ninth curve starts at (0, 0) and increases, passing through (5, 5) and (10, 0). A tenth curve starts at (0, 0) and increases, passing through (5, 5) and (10, 0).
