

The top graph shows a decreasing curve and several linear segments. The y-axis is labeled '人数' (Number of people) and the x-axis is labeled '時間' (Time). The curve starts at a high value and decreases as time increases. The linear segments represent different rates of change.

The bottom graph shows an increasing curve and several linear segments. The y-axis is labeled '人数' (Number of people) and the x-axis is labeled '時間' (Time). The curve starts at a low value and increases as time increases. The linear segments represent different rates of change.
