Figure 1 is a graph showing the relationship between the number of people (人数) and the number of people (人数) for different levels of the number of people (人数). The graph includes a title "人数と人数の関係" and a legend "人数と人数の関係". The x-axis is labeled "人数" and ranges from 0 to 100. The y-axis is labeled "人数" and ranges from 0 to 100. The graph shows several curves representing different levels of the number of people (人数). The curves are labeled with values: 100, 80, 60, 40, 20, 0, -20, -40, -60, -80, -100. The curves show that as the number of people (人数) increases, the number of people (人数) also increases, but at a decreasing rate. The curves are concave down, indicating diminishing returns.
