

The top graph shows the relationship between the number of people (人数) and the number of people (人数) for different scenarios. The y-axis represents the number of people (人数) and ranges from 0 to 100. The x-axis represents the number of people (人数) and ranges from 0 to 100. The graph shows a decreasing trend, with the number of people (人数) decreasing as the number of people (人数) increases.

The bottom graph shows the relationship between the number of people (人数) and the number of people (人数) for different scenarios.
