

The top graph shows a decreasing linear relationship between the number of people (人数) on the y-axis and time (時間) on the x-axis. The y-axis is labeled with values from 0 to 100 in increments of 10. The x-axis is labeled with values from 0 to 100 in increments of 10. A straight line starts at (0, 100) and ends at (100, 0). Several horizontal lines are drawn at different y-values, and a few diagonal lines are also shown.
