

The figure consists of two vertically aligned graphs. The top graph has a vertical axis labeled '人口' (Population) and a horizontal axis labeled '労働人口' (Laboring Population). The vertical axis has tick marks from 0 to 100 in increments of 10. The horizontal axis has tick marks from 0 to 100 in increments of 10. There are four downward-sloping curves, all starting at (0, 100) and ending at (100, 0). The curves are labeled from top to bottom as 'E', 'F', 'G', and 'H'. The bottom graph has a vertical axis labeled '人口' (Population) and a horizontal axis labeled '労働人口' (Laboring Population). The vertical axis has tick marks from 0 to 100 in increments of 10. The horizontal axis has tick marks from 0 to 100 in increments of 10. There are four upward-sloping curves, all starting at (0, 0) and ending at (100, 100). The curves are labeled from top to bottom as 'E', 'F', 'G', and 'H'.
