

Figure 1 consists of two graphs. The top graph shows the relationship between the number of people (Y-axis) and the number of people (X-axis). The Y-axis is labeled '인원' (Personnel) and ranges from 0 to 100. The X-axis is labeled '인원' (Personnel) and ranges from 0 to 100. A black curve starts at (0,0) and peaks at (50, 100). Three blue curves start at (0, 100) and end at (100, 0). The bottom graph shows the relationship between the number of people (Y-axis) and the number of people (X-axis). The Y-axis is labeled '인원' (Personnel) and ranges from 0 to 100. The X-axis is labeled '인원' (Personnel) and ranges from 0 to 100. A single blue curve starts at (0, 100) and ends at (100, 0).
