

Figure 1 is a line graph showing the relationship between the number of people (Y-axis) and time (X-axis) for various activities. The Y-axis is labeled '人数' (Number of People) and ranges from 0 to 100. The X-axis is labeled '時間' (Time) and ranges from 0 to 100. The graph shows four curves: 1. A curve starting at 100, peaking at 100, and then decreasing. 2. A curve starting at 100, peaking at 100, and then decreasing. 3. A curve starting at 100, peaking at 100, and then decreasing. 4. A curve starting at 100, peaking at 100, and then decreasing.
